Safeguarding Training

Have you signed up to attend Safeguarding Training at St Leonards Social centre Saturday 25th February from 9.30am? This training has been specially arranged for our benefit by the Diocesan Safeguarding team and means that those who attend on the 25th February will not need to go to the same training further afield. All people with any responsibility in our churches such as members of church committees should do their best to attend. Please sign your name on the list by 19th February, which should be available in all of our churches.
